

## THE ELIZABETH AND VERNON PUZEY SCHOLARSHIPS TERMS AND CONDITIONS

### Background: UTR6.202

- The scholarships honour the late Elizabeth and Vernon Puzey of Toorak. Mrs Elizabeth Puzey left a bequest to the University in 1992 in an agreement stating: ‘...that Elizabeth is desirous of providing for the health and wellbeing of all residents of Australia and is concerned that the rewards (both salary and otherwise) presently offered and available in Australia are not adequate to prevent substantial numbers of well qualified persons in medical research, science and engineering from leaving the country and applying their skills elsewhere to the disadvantage of Australia and its residents generally and is anxious to provide inducements calculated to counter this trend’.  
For details see: <http://www.unimelb.edu.au/unisec/utr/pdf/utr6202.pdf>
- The University accepted Mrs Puzey’s gift and has established prestigious research higher degree scholarships in the faculties of Medicine, Dentistry and Health Sciences; Science; and the Melbourne School of Engineering.
- The Elizabeth and Vernon Puzey Awards Foundation is jointly managed by the University of Melbourne and Equity Trustees Limited.
